

nsga2::TournamentSelection
::select

```
graph LR; A[nsga2::TournamentSelection::select] --> B[nsga2::TournamentSelection::crowding_operator]; A --> C[nsga2::Population::size];
```

The diagram illustrates the function calls made by `nsga2::TournamentSelection::select`. It is represented by a grey rectangular box on the left. Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box containing the text `nsga2::TournamentSelection::crowding_operator`. The bottom arrow points to another white rectangular box containing the text `nsga2::Population::size`.
